

Donor Receipting

Issuance of Charitable Receipts - Tax receipts will be issued in accordance with the guidelines of the Canada Revenue Agency. VRFBS will request that the Town of Vulcan issue an official receipt for donations that qualify as charitable gifts, as per our current agreement with the Town of Vulcan. Receipts for donations of \$20.00 or higher will be issued only when requested by the donor. If, following internal consultations, uncertainty remains as to whether a donation qualifies as a charitable gift, a ruling may be sought from legal counsel, independent counsel, and/or the CRA.
